

## IOWA COUNTY ENVIRONMENTAL HEALTH OFFERS FREE PRIVATE WELL WATER TESTING

This service is conducted by the Iowa County Sanitarian to individuals living in Iowa County and who are currently using a private well, through a grant called “Grants to Counties”. The county recommends testing well water once a year. It allows you to know the quality of the water that you’re drinking. To receive a FREE test, call the office at 319-642-0107 to schedule an appt.
