

Effective 3/20/2020 at 8:00 a.m. until further notice

In an effort to keep our employees and the public safe from the recent COVID-19 pandemic, our courthouse will close to the public except for by appointment only. Our employees will continue to work, but we are encouraging our customers to conduct their business with the County by mail or electronically when possible, rather than in person. We are encouraging patrons to use the blue drop box outside the main door of the courthouse for items you do not want to mail. Please call and make an appointment with the departments listed below if needed.

Offices located in the Courthouse or East Courthouse Annex are as follows:
